- **The safety of the dogs** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the event committee, be asked to leave the show site. In such case, no refund of any fees paid will be made.
- Agility Ability of Greater Kansas City and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children.
- Agility Ability of Greater Kansas City reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against Agility Ability of Greater Kansas City or any official thereof.
- **All dogs must be on leash or crated** at all times when on trial grounds except when in the designated warm-up area or competing on the course. **Please limit the use of flexi-leads to exercising dogs outdoors.**
- Agility Ability of Greater Kansas City may cancel this event in extreme weather conditions.

REFUNDS

- **No entry fee** will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.
- No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Event Committee.
- **Bitches in season** are not permitted to compete in Agility Trials. Entry fees less \$10 administrative fee and applicable AKC recording fees per day will be refunded for bitches coming in season after the closing date. Owner must present certificate from veterinarian prior to start of show.

RINGSIDE

- **Exhibitors may not sit at ringside with their dogs, unless they are waiting to run. Furthermore, spectators are welcome at ringside during the FAST class, but spectators and exhibitors are asked not to talk during FAST. Your cooperation is appreciated.**
- Dogs may arrive any time prior to judging whether they have a height card or not. As of March 1, 2022 if a VMO or Agility Field Representative is measuring dogs at a trial, all present and entered dogs without a valid measurement must be measured. Until further notice, Judges of Record who are not VMOs will not measure dogs.
- Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

Entering a Mixture of Regular and Preferred Classes within the Same Trial Weekend Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the first run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Fix and Go On (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the run. Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on the course when the dog's obstacle performance is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score.

For Exhibition Only (FEO) ** OFFERED AT THIS TRIAL**

- For Exhibition Only may be offered at the option of the host club. FEO will allow Exhibitors to work with their dogs in a trial environment. FEO is allowed in all classes. Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the Entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed. Dogs may be entered at any level (Novice, Open, Excellent or Masters) in FAST, JWW, Standard or Premier classes.
- If the dog is not eligible for the level entered the team is Committed to FEO for that run and must declare FEO on the start line. **Day of show level changes are not allowed.** The Exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.
- Course time for FEO in Time 2 Beat, JWW, Standard, Premier & ISC will be 45 seconds. FAST courses times for each class/height are as noted in the Regulations. Exhibitors must exit the ring when the horn sounds. FEO runs are scored as 'absent' in catalog and results.

Moving Entries Laterally ** OFFERED AT THIS TRIAL**

Effective June 1, 2026, Day-to-Day In-class Moves (this includes move-ups and lateral moves)

- AKC will be allowing lateral moves between Regular and Preferred classes at the discretion of the club.
- The request for in-class moves must be made in writing at the trial site to the Trial Secretary not later than the day preceding the event.
- The club shall state clearly in its premium list whether in-class moves will be allowed "day-to-day."
- All moves are subject to availability of the class and payment of any difference in entry fee.
- When a dog is In-class moved in the official catalog after the catalog has been printed, it is only necessary to input the following information:
 - a. In the class Where the dog was moved from, indicate which class the dog has moved to (i.e., Moved to Open 24").
 - b. In the class Where the dog has moved to, indicate the dog's running order number and from what class it has moved from (i.e., Moved from Novice B 24").
